- **Liability Statement:** I understand that my participation and the participation of any member of my family, in any PEACH function or program, is completely voluntary, and we hereby give permission for any member of our family to join in those functions or programs. My family shall hold harmless PEACH and any PEACH volunteers or representatives, and/or the providers of any meeting/activity location and/or materials from any liability and/or responsibility for any accident, illness, or injury that occurs during or as a result of any function or program. I recognize that PEACH Inc., does not carry an accident insurance policy. I accept that the final responsibility for my safety and that of my family rests with me. I agree to abide by the PEACH by-laws.
- **Code of Conduct:** I have read the Code of Conduct on the website at <https://peachva.org>, and agree to abide by the Code of Conduct when participating in PEACH activities.
- **Attendance Guidelines:** I understand that PEACH-sponsored activities (field trips, teen events, etc.) are open to PEACH member families and their overnight house guests only. Prospective homeschoolers are always welcome at support group meetings. This policy is stated in the PEACH Code of Conduct as well.
- **Graduation Participation Policy:** I understand that graduates must be current members of PEACH. Graduates must also have been members of PEACH during the year prior to the year of the student's graduation; the membership form for that family must be postmarked no later than January 31 of that year. This means each graduate will have been a member of PEACH for at least two consecutive years. Therefore, a typical timeline would be as follows:

Student's junior year (or year before they graduate): Family must join PEACH by January 31.

Student's senior year (or year that they graduate): Family must renew membership by the graduation deadline *and* pay graduation deposit by the October graduation meeting.
